

GCYSC PICTURE SCHEDULE

SATURDAY, SEPTEMBER 30TH

Picture Day takes more than 1 weekend, if you do not see your team on there, please wait for the next schedule to come out before contacting anybody. Please arrive 15 minutes before your picture time due to the photographer might be running ahead of schedule, a player might be running late, and the amount of time to find parking. Every player must have a pre-paid form filled out before arriving to picture day so your team is not holding the next team up.

The MOST IMPORTANT reason for having the form filled out prior to picture day is that having to fill the form out there will put other teams behind and there is NO CHANGE \$\$ available picture day.
